

Dollamur Sport Surfaces
1734 E. El Paso St., Suite 110
Fort Worth, TX 76102

September 18, 2018

To Whom It May Concern:

The Safe Drinking Water and Toxic Enforcement Act of 1986, better known by California Proposition 65 requires the State to publish a list of chemicals known to cause cancer, birth defects, or other reproductive harm. This list, which is updated at least once per year, contains approximately 800 different chemicals. Businesses must notify Californians about significant amounts of any of the listed chemicals in any products they may purchase with clear and reasonable warning.

Dollamur LP is committed to continuously improving the safety of athletes and any others that may come into contact with our products. At this time, based on the current applicable laws, Dollamur LP can certify that to the best of our knowledge, our carpet bonded foam mats, fitness mats, wrestling mats, and martial arts mats are in compliance with California's Proposition 65 regulations.

If there are any additional questions, please contact me directly at mshumate@dollamur.com.

Regards,
