Rev. 1 – 8/3/18 Dollamur LP

Thank you and congratulations on your recent purchase of Yoga Flooring or GymTurf by Dollamur! Dollamur products can be installed on any moisture sealed surface. This installation guide will cover the use of multi-purpose adhesive for permanent installs. For semi-permanent installs, you may consider using double sided tape to install your flooring.

IF YOU HAVE SELECTED A NON-FLEXI OPTION FOR YOUR FLOORS, NEVER REVERSE ROLL YOUR FLOORS! REVERSE ROLLLING CAN WRINKLE THE VINYL SURFACE PERMANENTLY! A NON-FLEXI FLOOR WILL ARRIVE TO YOU ROLLED UP AND PACKAGED WITH THE VINYL SIDE OUT AND WILL HAVE NO FLEXI-CUTS® IN THE FOAM.

INSTALLATION STEPS

- 1. Thoroughly clean all dirt and debris from the ground.
- 2. Unroll each section of your new flooring flat on the ground and ensure that the flooring fits correctly for 12 –24 hours. During this time your flooring will need to acclimate to your environment. If installed wall to wall, allow a 1/4" to 1/2" gap along to the wall for foam expansion.
- 3. Use a sharp utility knife and a straight edge to make any trim cuts on the flooring.
- 4. Yoga: Using at least two people, slide and stack the flooring sections flat away from the final installation area. HENRY 176 Bulldog Multi-purpose Flooring Adhesive will bond to the foam. Always follow the directions of the adhesive manufacturer for application. Several resources are also available online for using flooring adhesive. To install, allow the adhesive to become tacky to the feel and install one section of flooring at a time. Then, apply pressure to all areas.

 Turf: Follow the directions for yoga flooring, but turf rolls may be rolled up and
 - <u>lurt:</u> Follow the directions for yoga flooring, but turf rolls may be rolled up and unrolled onto the glue a few feet at a time rather than the full section.
- 5. Add any vinyl tape and VLP once step 4 has been completed entirely if applicable.
- 6. Add base boards, transitions, or other accessories if applicable.
- 7. If Pilates machines or any other heavy equipment will be on your new flooring, additional protection may be required. Please contact your Dollamur sales rep for recommended solutions.
